About Ngome Marian Shrine

Ngome Marian Shrine, which is dedicated to 'Our Lady, the Tabernacle of the Most High', is situated in KwaZulu Natal, just 326km north of the city of Durban and 85km east of Vryheid.

It was in 1955 that Sister Reinolda had her first apparition and encounter with the Blessed Virgin Mary, who said to her:

*"Call me Tabernacle of the Most High.
You too are such a tabernacle, believe it!
I wish to be called upon by this title for the glory of my Son.
I wish that more such tabernacles be prepared.
I wish that the alters be surrounded by praying people more frequently.
Don't be afraid, make it known."*
