2,5	Discernment and Communication	SSVP Servant Leadership requires inclusive listening and the discernment of the sometimes hidden complexities of the issues raised. In SSVP we walk with the poor and each other together wherever and whenever possible. Conflict is managed with Christian empathy and understanding and never to gain the advantage for our personal viewpoints. The democratic collective will of the group is to be adhered to with Christian humility with the Servant Leader only deciding actions that are deadlocked as per the "Rule"
2,6	Spiritual	Jesus provided the perfect example of Servant Leadership in the washing of the feet of his Apostles. Jesus then sent his Apostles out to do his work as we are sent today to serve the poor in humility knowing we have God's blessing. Vincentians have a special invitation from God to give expression to the Beatitudes in our lives through works of charity serving in hope for a future that is not here yet. Vincentians align our hope and faith with the development of a personal and group prayer life that allows time to listen to God, hear his wishes and act on them.
